

## COVID Microsimulation Conference Agenda

Sessions		Link to session	Paper Title and Authors	Local Time	Time (GMT)	Aus Time	US Time
1	Combining data		<b>Convenor: Aus - Jinjing Li</b>				
			Title: Nowcasting the distributional impact of the COVID-19 crisis: how does it compare with the 2009 financial crisis?*	10:00 AM			
			Title: The impact of Covid-19 and policy response on Australian income distribution and poverty	7:20 PM	9:00 AM	7:00 PM	4:00 AM
			Title: COVID-19 and the distributional effects of increased unemployment in Sweden	10:40 AM			
2	Dynamic Modelling		<b>Convenor: Aus - Rob Tanton</b>				
			Title: COVID-Town: An Integrated Economic-Epidemiological Agent-Based Model	1:00 PM			
			Title: The Emergency Family Income (IFE) in Argentina: could it become a permanent safety net?	8:20 AM	12:00 PM	10:00 PM	7:00 AM
			Title: How DWP adapted its dynamic microsimulation approach to meet the Challenges of Covid-19	12:40 PM			
3	EuroMod		<b>Convenor: UK - Matteo Richiardi</b>				
			Title: The impact of the COVID19-crisis on household incomes in Belgium	4:00 PM			
			Title: The COVID19 crisis response helps the poor: The distributional and budgetary consequences of the UK lockdown	3:20 PM	3:00 PM	1:00 AM	10:00 AM
			Title: Welfare resilience in the immediate aftermath of the COVID-19 outbreak in Italy	4:40 PM			
4	Health Modelling		<b>Convenor: US - Bryan Tysinger</b>				
			Title: Modelling the epidemiological and economic impacts of COVID-19 'lockdown' on air pollution in the London local authorities of Lambeth and Southwark	6:00 PM			
			Title: Enhanced Population Estimates for Dynamic Spatial Microsimulation of Disease Spread	6:20 PM	6:00 PM	4:00 AM	1:00 PM
			Title: Quantifying the impact of excess deaths in the Covid-era using dynamic microsimulation	10:40 AM			

			<b>Convenor: EU - Kerstin Bruckmeier</b>	<b>Local Time</b>	<b>Time (GMT)</b>	<b>Aus Time</b>	<b>US Time</b>
5	<b>Tax/Transfer Modelling</b>		Title: COVID-19 Crisis in Germany: Labour demand, Distributional and Fiscal effects Authors: Kerstin Bruckmeier, Andreas Peichl, Martin Popp, Jürgen Wiemers, Timo Wollmershauser	10:00 PM			
			Title: Using the Social Policy Simulation Database and Model (SPSD/M) to model income support policies during COVID-19 Authors: Shawna Brown, Jackson Chung, Chantal Hicks, Laurie Plager	4:20 PM	9:00 PM	7:00 AM	4:00 PM
			Title: COVID-19 JobKeeper and JobSeeker impacts on poverty and housing stress under current and alternative economic and policy scenarios Author: Ben Phillips	7:40 AM			
6	<b>Tax/Transfer Modelling</b>		<b>Convenor: US - Melissa Favreault</b>	<b>Local Time</b>	<b>Time (GMT)</b>	<b>Aus Time</b>	<b>US Time</b>
			Title: Estimating the Impacts of Pandemic Response Policies on U.S. Poverty: Providing Real-Time Input into the Policy Debate with the ATTIS Microsimulation Model Authors: Linda Giannarelli, Laura Wheaton, Kevin Werner, Ilham Dehry, and Greg Acs	7:00 PM			
			Title: The Impact of COVID-19 Epidemic on Poverty in rural China Authors: Peng Zhan, Shi Li	8:20 AM	12:00 AM	10:00 AM	7:00 PM
		Title: Modelling the distributional impact of the Covid19 Crisis in Russia: application of the microsimulation model RUSMOD Authors: Mikhail Matytsin, Daria Popova and Samuel Freije	7:40 PM
